# TV'S SEAN

By STEPHEN MAGUIRE AND  
GERALDINE COMISKEY

YOU'RE a Star hopeful Sean Ban Breathnach revealed yesterday how two Rottweilers threatened to attack him as he exercised between rehearsals.

The 58-year-old TV and radio star was striding along a country lane when the dogs seemed to appear from nowhere.

"I was terrified. They started to go mad and were going for me. I was afraid for my life," said Sean, who remained perfectly still until the dogs backed off.

The two Rottweilers are used as guard dogs by Veronica Guerin's widower, Graham Turley, who apologised to Sean yesterday.
